GENERATING A UNIFORM VASCULAR WOUND IN

ZEBRAFISH OR ZEBRAFISH LARVA THROUGH LASER

IRRADIATION

DECLARATION OF PUDUR JAGADEESWARAN UNDER 37 CFR §1.132

I, Pudur Jagadeeswaran, declare as follows:

- I am the applicant of the invention disclosed in the above-identified application 1. for patent.
- I have reviewed and am familiar with the article entitled "Genetic Analysis of 2. Hemostasis and Thrombosis Using Vascular Occlusion" published in Blood Cells, Molecules, and Diseases (2002) 29(3) 286-295 (thereafter "the article"). I am one of the co-authors of this article with the other two co-authors being Michael Gregory and Ravikumar Hanumanthaiah. This article was published in Nov/Dec. 2002 on my behalf.
- I understand that claims 1-7 and 14 of the application have been rejected under 35 3. U.S.C. §102(a) as being anticipated by the article. It is also my understanding that the article is cited as a prior publication by "another" because I am not listed as the sole author of the article (page 2 of the Paper 20071108).
- I state that both Michael Gregory and Ravikumar Hanumanthaiah were working 4. under my sole direction and constant supervision. In relation to the subject matter underlying the
